

The Intelligence.

WEDNESDAY MORNING, JULY 19.

CITY COUNCIL.—A special meeting of this body was held last night at the Council Chamber. In the absence of the President, Mr. Brady was called to the chair. Mr. McNeely, from the committee on ordinances, reported an ordinance increasing the tax on real estate and personal property from 40 cents on each \$100 to 50 cents for the year 1865, and to make the tax due on August 1st, which was not concurred in by the 1st branch. In the communication accompanying the ordinance the committee state that the assessment of real estate in 1864 amounted to \$4,833,015.

Rate of taxation 1864 at 50 cts., \$24,465.50
Railroad tax 1864 at 25 cts., 12,232.79
Total, \$36,698.29

The assessment in 1865 is as follows:
Real estate, \$4,961,678
Personal property, 3,494,033

Total, \$8,455,711
Total revenue for 1865 at 40 cts., \$38,782.84
Increase over 1864, 9,217.25

From this is to be deducted the merchant's license, which will not be collected this year, which amounts to \$2,891, which will leave only \$36,891.84. If the increased tax of 10 cents should be agreed upon, it would add to the revenue \$4,238.85 and make a total increase over last year of \$10,458.20, which will be needed to defray the expenses of the city.

The ordinance increasing the police force, which was made the special order of the evening, was next taken up.

The main features of the ordinance are: The police force of the city of Wheeling shall consist of the Sergeant of the city, two Lieutenants, and thirty-three policemen, and shall be formed into divisions. The Sergeant, subordinate to the Mayor, shall be the chief executive of the police department.

It shall be his duty to preserve the peace of the city, to suppress all insurrections, riots, mobs, and disorderly conduct, and to see that all of the laws and ordinances of the city are enforced. To promptly report to the Mayor any complaints made to him against any policeman.

To prepare and deliver to the clerk of the city court at least one half hour before the opening of the court, a free and accurate report of all arrests made by the whole police force during the preceding day and night.

The Sergeant has power to call out the whole force at any time when they may be needed. No Policeman shall leave his post or beat without permission while on duty, and shall have power to arrest any person or persons who may be causing any disturbances or disobeying any of the ordinances of the city. No Policeman shall enter any room or house, except on duty except in the discharge of same.

If while endeavoring to arrest an offender the culprit should escape and take refuge in any house the officer is empowered to break that house and if the doors are closed he shall have power to break open the doors and windows.

The Mayor and Sergeant shall make rules for the proper government of the police force, which shall be submitted to Council for their approval. The Mayor shall also select the badge, uniform and arms which the force shall be compelled to wear.

It shall be the duty of all citizens to aid the police in their duties, and no one refusing to do so shall be subject to a fine to be imposed by the Mayor.

The salary of the Sergeant and police shall be fixed by the Council.

The Chairman of the Committee presented a supplemental report changing the number of the men from 33 to 25, which was adopted.

The 1st Section of the Ordinance being made so as to read "increase the police force to 25" it was placed before the Council. Mr. A. G. Robinson moved to lay the whole ordinance on the table.

"You and me," he said, "being called for, the motion was lost by a vote of 10 to 3. Mr. A. G. Robinson moved to strike out the number 25 and make it 14, he did not think so large a force was all required at this time. That there was a large military patrol now in the city, and if this force of three or four hundred men were unable to preserve order, could do so, it was only a matter of time.

Mr. Pratt answered, that he probably amount to \$9,000 and he thought the city could much better bear this expense than to bear the name which it was fast attaining of a disorderly city.

Mr. Hughes said he would like to see the increase to twenty-three men against his own convictions, for he thought it was not sufficient to protect the citizens, as it has become of late unsafe for a person to travel the streets at night, and as proof of that, he would state that attention to the fact that the lamp-lighters were escorted through the streets by a military guard to protect them.

Mr. Goudy thought the necessity for an increased force removed, and that he had traveled the city at night, and had seen no unusual disturbance, in fact he thought that during the past week there was better order here than in any place he had been in, and he had traveled some considerable, and now that the soldiers were gone, and the men about spent their time in idleness, would go to work and create no further disturbances.

Mr. Shallcross was in favor of the ordinance, and was surprised to hear the remarks of the gentleman in the 6th ward; that there must be something behind the scenes—some political machinery moving. That the gentlemen would be his own knowledge, seen women and children, and that he would very near the Council Chamber, and that the ruffians were allowed to escape on account of there not being a sufficient number of policemen.

At this time a spirited little breeze sprang up between Messrs. Shallcross, Goudy and Robinson, who were informed by the President that they must confine their remarks to the subject before them.

There was also a long debate on section 6, which empowers the officer to enter, and if necessary, break open doors and windows in pursuit of offenders. The section was finally stricken out.

The ordinance, as amended, was finally passed by a vote of nine to five. The rules requiring a two-third vote of the members of Council, it was made the special order for next meeting.

The sum of \$25 was appropriated to repair the cupola over the town clock. A petition was received from William Spence to admit his fine of \$10, which was granted.

A resolution instructing the Committee on Fire Department to purchase two sections of hose for the "70" fire company was passed.

Frederick Conrad was granted a license to open a first class coffee house. Nothing further appearing for Council to act upon, it adjourned to meet on Tuesday evening next.

Mr. JOHN BISHOP yesterday received a dispatch stating that the 3d Va. Veterans left Clarksburg at 2 o'clock. They will be here this morning.

The opposition lines, both in this city and St. Clairsville have locked horns already we notice. Yesterday only went on the road last Monday with his bus, and the fare is now down to ten cents each way. Instead of fifty, as formerly. This is more than the fall in gold last April, when the bottom was so suddenly knocked out of the Confederate States of America. We are reminded of the times when the National Road and Good Intent Stage Companies used to carry passengers from here to Frederick for fifty cents. Both lines generally drew off sick. The St. Clairsville lines will experience a similar sensation we suppose, ere long. The Lewis line carries the mail, and has that much advantage over the old competition in the saving of toll. In the meantime let the public do a great deal of riding. Contracts might be made to advantage for summer board in the country, with commutation tickets on the omnibus lines.

RIVER AND STEAMBOAT NEWS.—The river at this point was rising yesterday with 6½ feet water in the channel. Business on the levee was very dull, there being very little freight offering.

The Linnie Drown, Captain Black, is the regular packet for Cincinnati to-day. She will positively leave at 4½ o'clock.

Capt. T. C. Sweeney's new light draught passenger steamer Sonora, will drop down to the levee to-day and commence receiving freight for Louisville, for which place she will leave this week. Her dimensions are: length, 140 feet; 26 feet breadth of beam, and 8½ feet depth of hold. She draws, with coal on board, thirteen inches. The hull was built by Dunlevy & Co., and the cabin by Haines & Beam. Her furniture, which is of the costliest materials, is from the extensive establishment of J. & G. Mendle. This is another evidence of the skill and workmanship of Wheeling mechanics.

Mr. Morris Dorsey, better known among steamboatmen as Count D'Orsey, will reside in the office.

BRUTAL ASSAULT.—Yesterday afternoon a young man named Edward Powers, a workman at the Belmont Mills, was attacked by three ruffians on Main street and beaten severely. He succeeded in making his escape from them, and ran into Atkinson's store for safety, but the scoundrels followed him there, and beat him with slung shots and other weapons, so badly that it was with difficulty he was removed. One of the clerks in the store endeavoring to rescue him, was threatened with a revolver. The police are on the track of the men, but had not succeeded in arresting any of them.

GENERAL ASSAULT.—Yesterday afternoon a young man named Edward Powers, a workman at the Belmont Mills, was attacked by three ruffians on Main street and beaten severely. He succeeded in making his escape from them, and ran into Atkinson's store for safety, but the scoundrels followed him there, and beat him with slung shots and other weapons, so badly that it was with difficulty he was removed. ARRIVAL OF TROOPS.—Battery A, 1st W. Va. Light artillery, arrived here yesterday, and will be mustered out in a few days. They have been for a long time stationed at Charleston, Kanawha County. Their guns and accoutrements were turned over at Clarksburg. The battery is commanded at present by Capt. George Furst, 1st Lieutenant Frederick Hoffman, and 2d Lieutenant James M. Gray.

ASSAULTS WITH SLUNG SHOTS, BILLYS AND KNUCKLES are becoming more frequent each day, and are giving our city a name for lawlessness which is anything but enviable. Prompt measures should be taken to enforce the law against carrying concealed weapons, and those who will indulge in the practice should be punished severely.

RIOT AT MOUNDSVILLE.—A serious riot occurred on Monday afternoon in Moundsville between some citizens and returned soldiers. Clubs, pistols and stones were freely used. A man named John Charleston was shot through the hand and badly beaten over the head with clubs. We did not learn the names of any other who were hurt.

EPITHETS ARE NOT ALWAYS VENERABLE, but they are more truthful than the labels of the so-called foreign perfumes now sold in this market. Don't be duped by these printed fables. They are counterfeit presentations, covering counterfeit articles. Phalon's "Night Blooming Cereus" is, on the other hand, precisely what it purports to be, a pure, unimpeachable staple of the toilet. Sold everywhere.

If you wish a nice, cool, refreshing drink, you can get it at all times at E. Becking's Odd Fellows' Hall Drug Store, where is sold the purest soda water, flavored with the richest fruits and cream syrups to be found anywhere. Five cents a glass, or twenty-five for one dollar.
